

Shearing Cutters

Jet / Full Thickness

4.4 mm thick

The Jet provides maximum throw for extra wide combs.

• 714-010

Diamond / Run-In

3.6 mm thick

Uncompromised safety, superior entry into tight wool.

• 714-011

Edge / Full Thickness

4.4 mm thick

More versatility due to wide throw and further reach on the comb.

• 714-151

Xtreme / Run-In

3.6 mm thick

Engineered to give high performance straight from the box.

• 714-152
